

United States of America
Department of Transportation — Federal Aviation Administration
Supplemental Type Certificate

Number SA1806SO

This certificate, issued to Harlan Associates of Spruce Creek, Inc.
1813 Wiley Post Trail
Daytona Beach, Florida 32014

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified herein meets the airworthiness requirements of Part 3 of the Civil Air Regulations.

Original Product — Type Certificate Number: 1A15 A1EA
Make: Piper Piper
Model: PA-24 PA-30, PA-39

Description of Type Design Change:

Installation of nose landing gear tire, size 15 x 6.0-6 6 PR., replacing size 6.00-6 6 PR.

Limitations and Conditions:

This approval should not be extended to other aircraft of this model on which other previously approved modifications are incorporated unless it is determined by the installer that the interrelationship between this change and any of those other previously approved modifications will introduce no adverse effect upon the airworthiness of that airplane.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: May 28, 1985

Date received:

Date of issuance: July 10, 1985

Date amended:

By direction of the Administrator
